¡Efecto Secundario!

As I sprayed Kilian Roses On Ice by Kilian EAU DE PARFUM SPRAY REFILLABLE 1.7 OZ for UNISEX on my skin, I felt the room transform into a winter wonderland. This masterpiece of a fragrance is not just a scent, but an experience that wraps you in its velvety softness.

La Experiencia de Olor

The initial notes of bergamot and mandarin transport you to a sunny morning in the French Riviera, while the heart of rose and jasmine blooms like a bouquet of fresh flowers. As the fragrance unfolds, the sweetness of orange blossom and the warmth of vanilla and tonka bean create a sense of comfort and serenity. The dry down is a masterclass in subtlety, with the softest whispers of musk and sandalwood that leave you craving more.

Longitud y Sillage

What truly sets Kilian Roses On Ice apart is its longevity. This fragrance stays with you for hours, leaving a subtle trail that makes you feel like you're walking on sunshine. The sillage is impressive, yet not overpowering, making it perfect for everyday wear or special occasions.
